Honorable Chairperson,

We commend the ongoing collaboration between the International Labour Organization (ILO) and the Government of Belarus aimed at implementing the recommendations of the Commission of Inquiry and previous decisions of the Governing Body (GB).

Dialogue and engagement are indispensable tools in addressing concerns and advancing labour rights. We emphasize the importance of continued constructive dialogue among all stakeholders to address issues and complaints within the framework of tripartite cooperation. It is crucial to explore alternative approaches to resolving outstanding issues.

We appreciate and encourage the Government of Belarus to maintain its collaboration with the ILO in the interest of cooperation and express hope that the measures taken will receive proper consideration.

I thank you.
