**Permanent Representative, Ambassador Khalil Hashmi**  
**16 November 2022**

Mr. President,

On behalf of the troika comprising Brazil, Eritrea and Pakistan, I am pleased to present the draft report of the Working Group UPR of Algeria distributed under reference A/HRC/WG.6/ 41/L.9.

During the interactive dialogue held on 11 November 2022, 122 delegations delivered statements and 11 sent advance questions. A total of 291 recommendations were addressed to Algeria.

The troika takes the opportunity to inform that paragraph 124 of the document should be divided into two and read as follows:

- i). Pursue efforts through the national policy for the promotion of employment and the fight against unemployment; and
- ii). Pursue laudable efforts in terms of freedom of worship and the practice of religious rites.

The troika would like to thank the delegation of Algeria led by H.E. Mr. Abderrachid Tabi, Minister of Justice, as well as other delegations for their constructive engagement in the process.

As is the practice, Algeria will examine the recommendations and convey its response before the fifty-second session of the Human Rights Council.

The troika members would also like to thank the Secretariat for its active support during the entire process.

Finally, the troika submits this report to the Working Group for adoption.

Thank you.
