Mr. Vice President,

We welcome the delegation of Czech Republic and thank it for presentation of its 4<sup>th</sup> UPR report.

We acknowledge the steps taken by the Czech Republic to combat discrimination and hate speech and strengthening the protection of foreign workers.

We have the following recommendations:

- i. Intensify efforts for providing minority communities with equal access to employment, education and housing;
- ii. Strengthen and safeguard the economic and social rights of migrants and refugees and facilitate their family reunification;
- iii. Increase awareness in mainstream education to overcome prejudices against some minorities and take steps for preservation of minority groups' cultural and linguistic identities.

We wish the Czech Republic a successful UPR.

I thank you!
