

Explanation of Vote before the Vote by Ambassador Zaman Mehdi, Deputy Permanent Representative during the consideration of Resolution on “Situation of Human Rights in Myanmar”

1 April 2022

Mr. President,

Pakistan shares international concerns over grave human rights violations and systemic discrimination against the Rohingya Muslims and other minorities in Myanmar.

Pakistan has remained supportive of all international and regional initiatives aimed at promoting meaningful national dialogue and concrete steps to address the discrimination against Rohingya Muslims as well as for the realization of their fundamental rights.

It is in this spirit and without prejudice to Pakistan’s position on references to the Rome Statute in the draft text, we are ready to support L12 as orally revised which we hope will be adopted by consensus.

I thank you.
