

46th session of UPR Working Group

National Statement delivered by Mr. Muneeb Ahmed, First Secretary, during the 4th UPR of the Comoros

(3 May 2024)

Mr. Vice President,

My delegation welcomes the delegation of the Comoros and thanks it for presenting its 4th UPR report.

Recognizing the challenges posed by the multifaceted crises resulting from the Covid-19 pandemic and natural disasters, we appreciate the Comoros' cooperation with the UN human rights and UPR mechanisms. We appreciate the measures taken for furthering the human rights agenda in the country.

In the spirit of constructive dialogue, Pakistan recommends the following:

- Strengthen programs to economically empower the youth in the mainstream economy;
- Continue to allocate greater resources for poverty eradication; and
- Reinforce efforts for improvement of healthcare infrastructure.

We wish the Comoros a successful UPR. Thank you.
