**(43<sup>rd</sup> Session of UPR)**  
**09 May 2023**

Mr. Vice President,

We welcome the delegation of Liechtenstein and acknowledge the steps taken by it for promotion and protection of human rights, including through measures against hate speech, emphasis of educational curriculum on fighting discrimination and xenophobia and enactment of Integration Strategy 2021 to improve the opportunities and participation of migrants in the social, economic, and cultural domains.

We recommend the following:

- Ensure strict measures against incidents of money laundering and illicit financing;
- Strengthen institutional measures to combat child sexual exploitation and abuse, especially in the cyber space, and provide assistance to child victims;
- Enact legal measures against discrimination and incitement to violence on the basis of religion and race; and
- Sign and Ratify the International Convention on the Protection of the Rights of All Migrant Workers and Members of Their Families.

We wish Liechtenstein a successful UPR.

I thank you!
