

Statement on behalf of the OIC Group delivered by Ambassador and Permanent Representative Bilal Ahmad on the human rights situation in and around El Fasher, in the context of the ongoing conflict in the Sudan

38th Special Session of the UN Human Rights Council

(Geneva, 14 November 2025)

Mr. President,

The OIC Group is deeply concerned over the recent developments in the Republic of Sudan and strongly condemns the grave humanitarian and human rights violations committed during the attacks carried out by RSF on the city of El Fasher.

The situation has resulted in a deteriorating humanitarian situation in the country. Millions of Sudanese including women and children are in urgent need of lifesaving humanitarian support.

The multifaceted crisis faced by the people of Sudan needs urgent attention. We urge the international community, including humanitarian organizations, to enhance their support and assistance programs. We also call upon these agencies to provide support to Sudan's neighboring countries, which are hosting a large number of people displaced due to the conflict.

We welcome the efforts to bring peace and stability in the country. We call on all parties to guarantee the unimpeded delivery of humanitarian aid to those in need, exercise restraint and take effective steps towards fully implementing the Jeddah Agreement of 2023.

We reaffirm our solidarity and stand by the people of Sudan during these challenging times and reiterate our support for the sovereignty and territorial integrity of Sudan.

I thank you.
