National statement delivered by Mr. Muneeb Ahmed, Counsellor, during 4th cycle UPR of Oman

(Geneva, 22 January 2026)

Mr. Vice President,

Pakistan warmly welcomes the delegation of Oman to this UPR (Universal Periodic Review) and thanks the distinguished head of delegation for the comprehensive presentation of the 4th national report.

Oman's sustained and constructive engagement with UN human rights mechanisms, including this Working Group, is commendable.

My delegation appreciates Oman's efforts to promote and protect human rights and welcomes its accession to the ICCPR (International Covenant on Civil & Political Rights).

Pakistan also appreciates Oman Vision 2040 for strengthening guarantees for fundamental rights and freedoms, and promoting and protecting the family, alongside other key contributions. Progress in expanding social protection also merits appreciation.

Mr. Vice President,

In the spirit of dialogue and cordiality, Pakistan recommends that Oman:

i. Continue with efforts to translate the right to development into reality, and,

ii. Maintain the focus on education and the principles of equity and inclusion, especially for persons with disabilities.

Pakistan wishes Oman every success with this Review.

Thank you.
