

National Statement delivered by Mr. Muneeb Ahmed, Counsellor, during the adoption
of UPR follow-up report of Lebanon
62nd HRC Session
(Geneva, 30 June 2026)

Mr. President,

My delegation warmly welcomes the delegation of Lebanon and thanks the distinguished head of delegation for presenting a follow-up on recommendations received during its 4th UPR.

It is commendable that Lebanon has accepted most of the recommendations received, including those made by Pakistan.

We appreciate the steady progress made by Lebanon on several facets of human rights and its cooperation with the UN human rights mechanisms including the UPR working group. We commend Lebanon for sustaining engagement in the face of severe challenges resulting from unrestrained Israeli aggression and consequent immense human suffering and destruction.

We affirm our abiding solidarity with the Lebanese people and support the Government in safeguarding Lebanon's sovereignty and territorial integrity.

We wish Lebanon every success in the implementation of accepted recommendations and request the Council to adopt the UPR outcome report by consensus.

I thank you.
